Dear friends, "Love one another as I have loved you." Let's continue to be a caring and considerate parish community.

Last week, with our Parish Health and Safety Representative, I undertook a review of the Covid Risk Assessment. The current high number of infections in our postcode area, the number of vulnerable people attending Mass and the number of people who attend Mass and return home to vulnerable relatives, have deemed it necessary to continue with the cautious approach which is already in place. The only adjustment which has been made is for the Sacrament of Reconciliation / Confession which will be celebrated in the narthex area of the church and will require those coming to wear a face covering and maintain social distance.

**Ventilation in church** Please keep in mind that ventilation is a proven way of reducing the spread of the virus. During all public Masses, the main door of the church and the internal doors will remain open. Please bring a coat!

**Vaccines** If you are 12 -15 or over 50 you are eligible to receive either the first vaccine dose or a booster dose. Your doctor will be pleased to help you.

**Volunteers** I am incredibly grateful to all our cleaners and stewards. They have kept the church open during this period. If you can help – even in a small way – it will be greatly appreciated. Please be in contact with me at [stmary.leek@rcaob.org.uk](mailto:stmary.leek@rcaob.org.uk)

**Are you hesitant about coming back to Sunday Mass?** Please know that you are most welcome to come to Mass on Tuesday at 10am.

**Repairs to the church** The repairs will recommence on Monday 15 November. There have been a number of administrative and practical difficulties in recent weeks which have been a big distraction. The works will continue into the new year will make demands on us all, but they will ensure that our beautiful church is secure for a good number of years.

**The Synod for a Synodal Church** Last month Pope Francis opened the Synod on Synodality that is "walking together." This is the Pope's bold vision for the whole Church and our parish: we walk together in faith. In this Synod, Pope Francis wants to know what you think about the Church and what it means for you to be part of our parish. This process is part of a larger vision for both the present and the future, and the Pope wants us to engage with this. Very soon I will give a questionnaire for you to complete. There are no right or wrong answers. You can complete it individually or with family and friends. The purpose is that you know you are a valued member of the Church and our parish.

**November at St Mary's: November is the month of the Holy Souls, and we have the following planned:**

**Thursday 18 November** 7pm Mass for the Repose of the Souls of those who died during the Pandemic. My invitation is to those families whose relatives have died during the last 19 months and whose Funerals could not take place in church due to the restrictions. I am very grateful to those who have volunteered to be cleaners and stewards on this occasion. If YOU can help, please let me or Sue know.

**Saturday 20 and Sunday 21 November** I would like to invite the children who have recently made their First Holy Communion or received the Sacrament of Confirmation to one of the weekend Masses; the children will be welcome to wear their dresses and smart clothes. That weekend will mark the celebration of Christ the King. This year, Pope Francis wants the whole Church around the world to mark World Youth Day. It will be great to see the children and young people of our parish!

**Step 4 of the Government's response to Coronavirus** Let's continue to show both personal and social responsibility while we are in church, showing that we "Love one another as Christ loves us", by keeping to the mitigations which are in place:

- **At Mass** - we continue with NHS Track and Trace; sanitising hands; social distancing; and, use of face coverings. The Bishops of England and Wales continue to ask us to use these measures to keep everyone safe and prevent the spread of the virus.
- **Confession – the Sacrament of Reconciliation** - in the church narthex. Bring a face covering.
- **Baptisms and Weddings** – please be in contact with Fr Martin.
- **The celebration of Christian Funerals** We shall have a gradual and phased reintroduction with the following routines:  
NHS Track and Trace      Use of hand sanitizer      Social distancing      Use of face coverings  
Limit of 50 people      A team of volunteer cleaners and stewards      The organ cannot be used and no singing

Unfortunately, the Polish Mass and face to face parish meetings remain suspended.

**The Parish plan for the rest of the year**

- **Sunday Mass** Come back to Mass! Mass is the greatest act of worship which we can give to God. If you are feeling confident about being in church, please come along. It will be great to see you!
- **Monthly Confession!** It means the world to receive God's forgiveness and grace once each month to help become the best version of ourselves. Confessions are celebrated on Saturday morning between 10am and 1030am in the church narthex or be in contact with Fr Martin directly.
- **Pray for 5 minutes every day** Set some time aside each day to pray. Use your favourite prayer, read a favourite passage from the Bible or prayer; talk to God about your life and your family.
- **Share your time, talent and treasure** If you could help in our parish for an hour each week – it would make a world of difference! Could you help with our SVP Group? Do you have IT and / or typing skills? Can you help with Sweep & Clean and other maintenance jobs?
